EXPERIENCE

SOCIAL MEDIA PLATFORM MANAGEMENT

I have successfully managed various social media platforms for business and marketing, implementing strategies to enhance brand visibility, engage audiences, and drive customer growth. Additionally, I have analyzed performance metrics to optimize campaigns and ensure maximum reach and effectiveness.

DEVELOPED BASIC SCHOOL WEBSITE

I created a simple website for our school as a project assigned by my advisor, utilizing only HTML and excluding CSS. Here is the link to the website:

<https://cyber-ron.github.io/TCWHS/>

EDITING

I specialized in creating and editing content such as tutorial videos covering computer programming and cybersecurity skills for TikTok, alongside short film projects.

EDUCATION

Tuguegarao City West High School

Graduated High School

Tuguegarao City, Philippines

- Specialized in ICT (Information and Communications Technology)
- Achieved proficiency in various ICT skills and applications
- Recognized for outstanding athletic achievements and demonstrated leadership skills

ABOUT ME

I have a deep passion for technology, particularly in programming and video editing. I actively manage my TikTok account, which has amassed over 3,000 followers, and my Facebook page. I am driven by a strong desire to continually expand my knowledge and skills in every area I pursue.
